To ensure that it will bring more repeat orders and enhance company's growth. To create a combination of knowledge and expertise to provide best services. To select, train and create dedicated work force who can own the responsibility and create recognition for the company and customer.

PRODUCT & SERVICES

- ❖ Fire protection & PA
- ❖ HT & LT electrical
- ❖ Industrial lighting
- ❖ Plumbing & Pumping
- ❖ Lightning protection
- ❖ HVAC system
- ❖ Civil Structural & Architectural
- ❖ CCTV & Access control
- ❖ Boiler & steam line
- ❖ Pneumatic system & other utilities
- ❖ Industrial automation
- ❖ Machinery installation

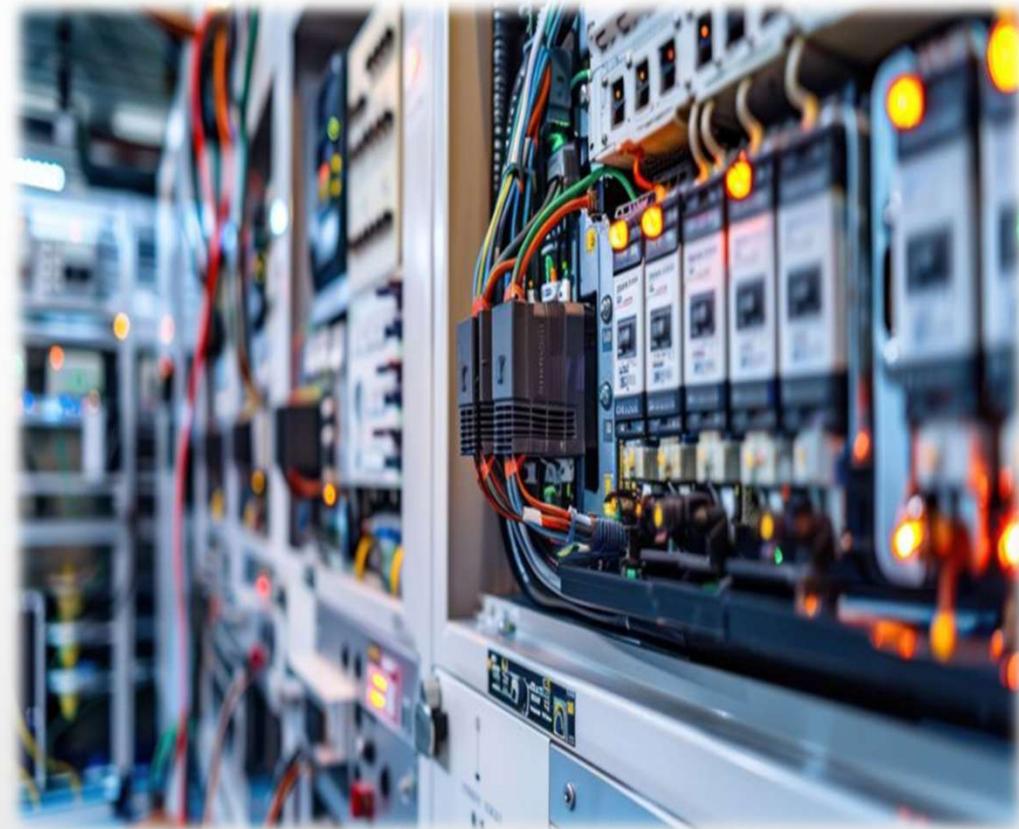

FIRE PROTECTION & PA SYSTEM

- ❑ *Fire Hydrant System*
- ❑ *Fire sprinkler System*
- ❑ *Fire Extinguisher System*
- ❑ *Fire detection and alarm system*
- ❑ *Co2 suppression system*
- ❑ *Public address system*

ELECTRICAL

- ❑ *Supply & installation of entire power systems*
- ❑ *High Voltage system including DP structure,*
- ❑ *VCB,RMU,HTMC,T/F*
- ❑ *Low Voltage distribution*
- ❑ *Power and distribution transformers*
- ❑ *Bus bar trunking*
- ❑ *Backup power : UPS/Genset with acoustics*
- ❑ *Lighting, External/internal*
- ❑ *Integrated building management systems*

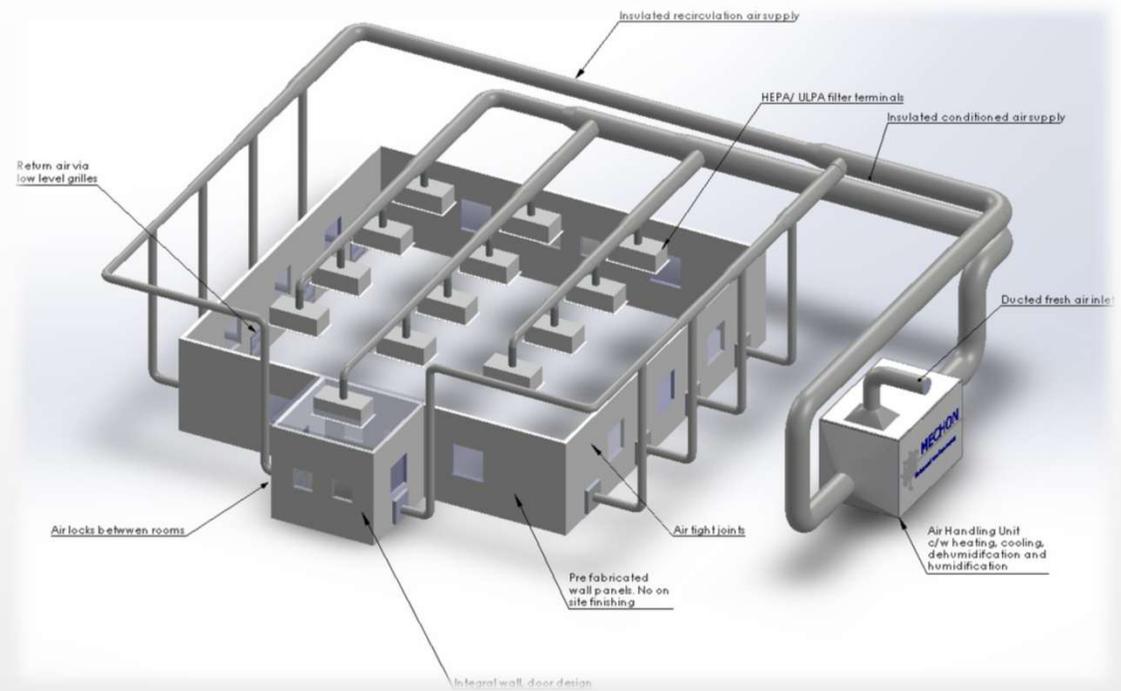

PLUMBING & PUMPING

- ❑ *Process plumbing (SS piping)*
- ❑ *Sewage water pipeline laying (HDPE, Hume pipe, UPVC)*
- ❑ *Domestic water pipeline laying (GI, UPVC, CPVC, SS)*
- ❑ *Gas line (GI & MS)*
- ❑ *Steam line (IBR & NON-IBR)*

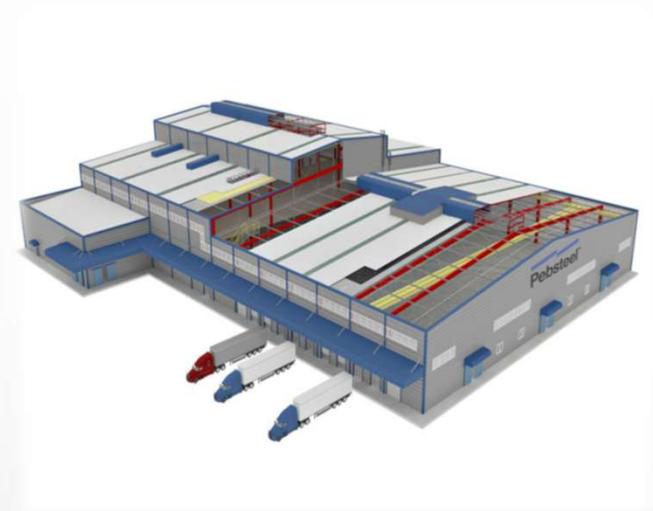

HVAC SYSTEM

- ❑ **Supply & installation of Split, Cassette & VRF AC**
- ❑ **AHU, VSU & exhaust unit supply & installation**
- ❑ **Ducting supply, fabrication & installation**
- ❑ **Filters supply & installation**

CIVIL STRUCTURAL & ARCHITURAL

- ❑ *Factory shed fabrication*
- ❑ *PEB structure fabrication & installation*
- ❑ *Puff partition supply & installation*
- ❑ *Window, ventilation, door, Rolling shutter, HSD supply & installation*
- ❑ *Painting (interior & external)*
- ❑ *Tank constructions, pumphouse and other civil constructions*
- ❑ *Strom water drain, Rain water harvesting pit construction*

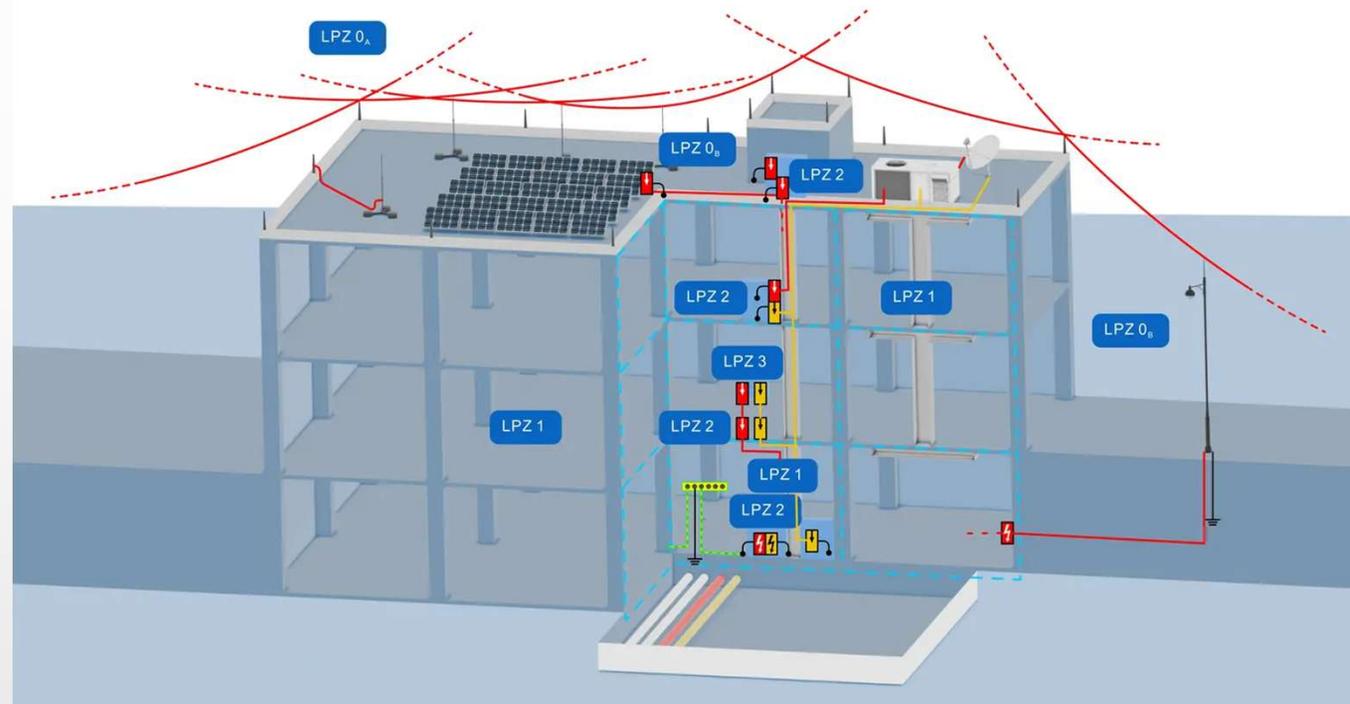

CCTV & ACCESS CONTROL

- ❑ **Telephone and Data Distribution Networking**
- ❑ **Public Address Systems**
- ❑ **Video Surveillance/CCTV Systems**
- ❑ **Access Distribution**
- ❑ **Audio Video Systems**
- ❑ **Building Management System**

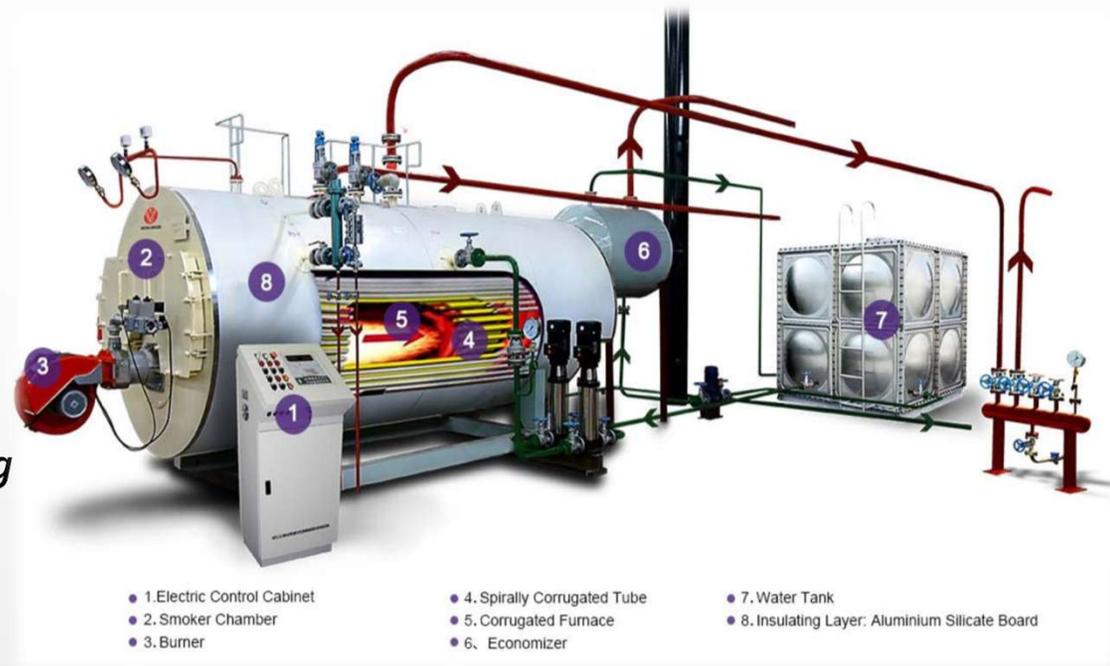

LIGHTNING PROTECTION & EARTHING SYSTEM

- ❑ *ESE type LA supply & installation*
- ❑ *Grid or mesh type LA system*
- ❑ *GI ,CU pipe & electrode chemical earthing*
- ❑ *CU plate earthing*
- ❑ *GI & CU strip earthing*

BOILER & STEAM LINE

- ❑ *Boiler installation(IBR & Non-IBR)*
- ❑ *Chimney erection*
- ❑ *Ducting & feed tank fabrication*
- ❑ *Boiler control panel installation with wiring*
- ❑ *Boiler shed fabrication*

PNEUMATIC SYSTEM & OTHER UTILITIES

- ❑ *Supply & installation of air compressors*
- ❑ *Supply & installation of dryer & storage tanks.*
- ❑ *Pneumatic pipe laying (PPR, HDPE & Aluminum)*
- ❑ *Ducting for air intake*
- ❑ *ETP, STP, RO, ZLD, EVAPORATOR supply & installation*

MACHINERY INSTALLATION

- ❑ *Dust collector installation including ducting/piping*
- ❑ *Grinding line installation*
- ❑ *Equipment platform fabrication & installation*
- ❑ *Packing machine placement & installation*

CLIENTS

A PERFECT BLEND OF PURE SPICES

WORK ORDER

1. Client :- Spectra international clothing Pvt. Ltd.

Work – Structural steel Loft fabrication

PO value- 1.70 cr

Duration – 60 Days

2. Client :- Everest food products Pvt. Ltd.

Work – Jaivik pasteurizer system installation

PO value- 7.67 L

Duration – 30 Days

WORK ORDER

3. Client :- Everest food products Pvt. Ltd.

Work – Chilli line dismantling, shifting & installation

PO value- 14.16 L

Duration – 45 Days

4. Client :- Aaksh beverages Pvt. Ltd.

Work – Staircase & fire sprinkler shifting & installation

PO value- 5 L

Duration – 30 Days

WORK ORDER

5. Client :- Everest food products Pvt. Ltd.

Work – Proflex sheet dismantling & scrap shifting

PO value- 5.90 L

Duration – 2 Days

6. Client :- Spectra clothing international Pvt. Ltd.

Work – Aluminum partition

PO value- 44.84 L

Duration – 30 Days

WORK ORDER

7. Client :- Spectra clothing international Pvt. Ltd.

Work – Complete fire protection system

PO value- 1.42 cr

Duration – 80 Days

8. Client :- Aakruti process technologies Pvt. Ltd.

Work – SS & MS piping

PO value- 40 L

Duration – 90 Days

WORK ORDER

9. Client :- Ramsons garment finishing equipments Pvt. Ltd.

Work – Civil foundation for equipments

PO value- 19.5 L

Duration – 45 Days

10. Client :- Ramsons garment finishing equipments Pvt. Ltd.

Work – Pneumatic line

PO value- 15 L

Duration – 15 Days

WORK ORDER

11. Client :- Ramsons garment finishing equipments Pvt. Ltd.

Work – Civil foundation for equipments

PO value- 19.5 L

Duration – 45 Days

12. Client :- Spectra clothing international Pvt. Ltd.

Work – Shed fabrication

PO value- 52 L

Duration – 15 Days

WORK ORDER

13. Client :- Spectra clothing international Pvt. Ltd.

Work – fencing & partition work

PO value- 15 L

Duration – 20 Days
